Judy,

It's been fun being
friends with you this year.
I hope we have many more.
Good-luck always.

Debbie Parrish!

Today,
Remember the drama
festival when I was crying
because of Bob? You really
helped me a lot. It was really
fantastic always seeing your smiling
and laughing face.

HELLO
1972

Sunny Hills High School
Fullerton, California

Fairy tales can come true
it can happen to you

if you're young at heart.

For it's hard you will find
to be narrow of mind

if you're young at heart.

You can go to extremes
with impossible schemes

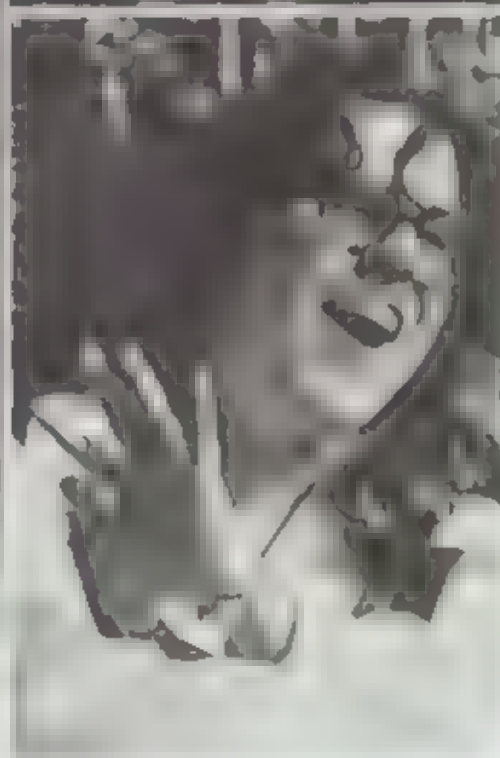

you are and where your dreams
are about at the scenes

And life gets more exciting
with each passing day

and I in other words heart
of the world

Don't you know that it's worth
every treasure on earth

to be young at heart?

For as rich as you are
it's still better by far

the cat at heart

And it was over. The
 track was empty and the
 sun was shining down
 on the empty track.

GRATEFUL

Spirit Week

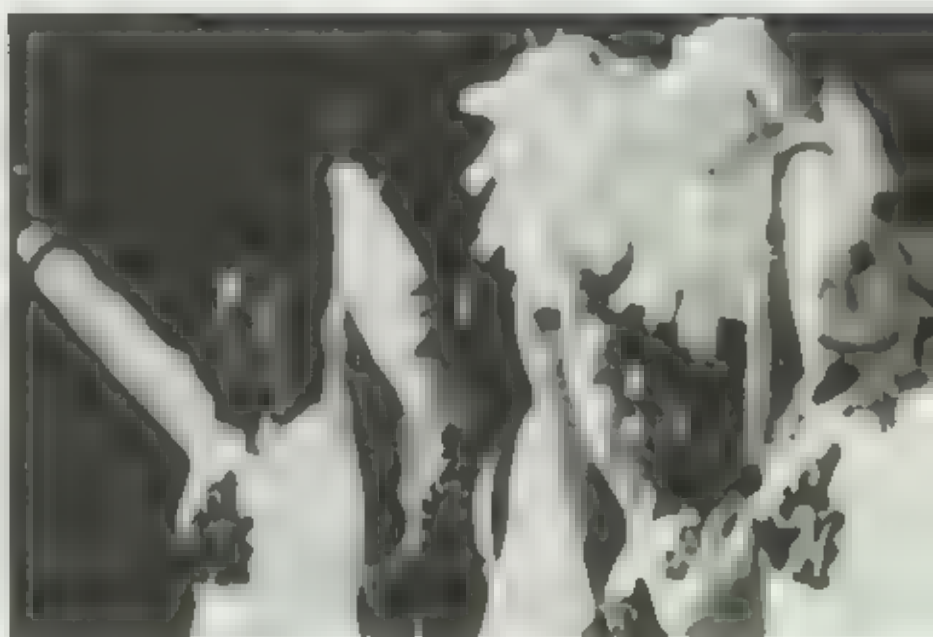

Homecoming

Yell

One of our most outstanding groups of performers was the 9th-12th graders. Their agency to creating new yell and unique movements was something that helped make this year one to remember.

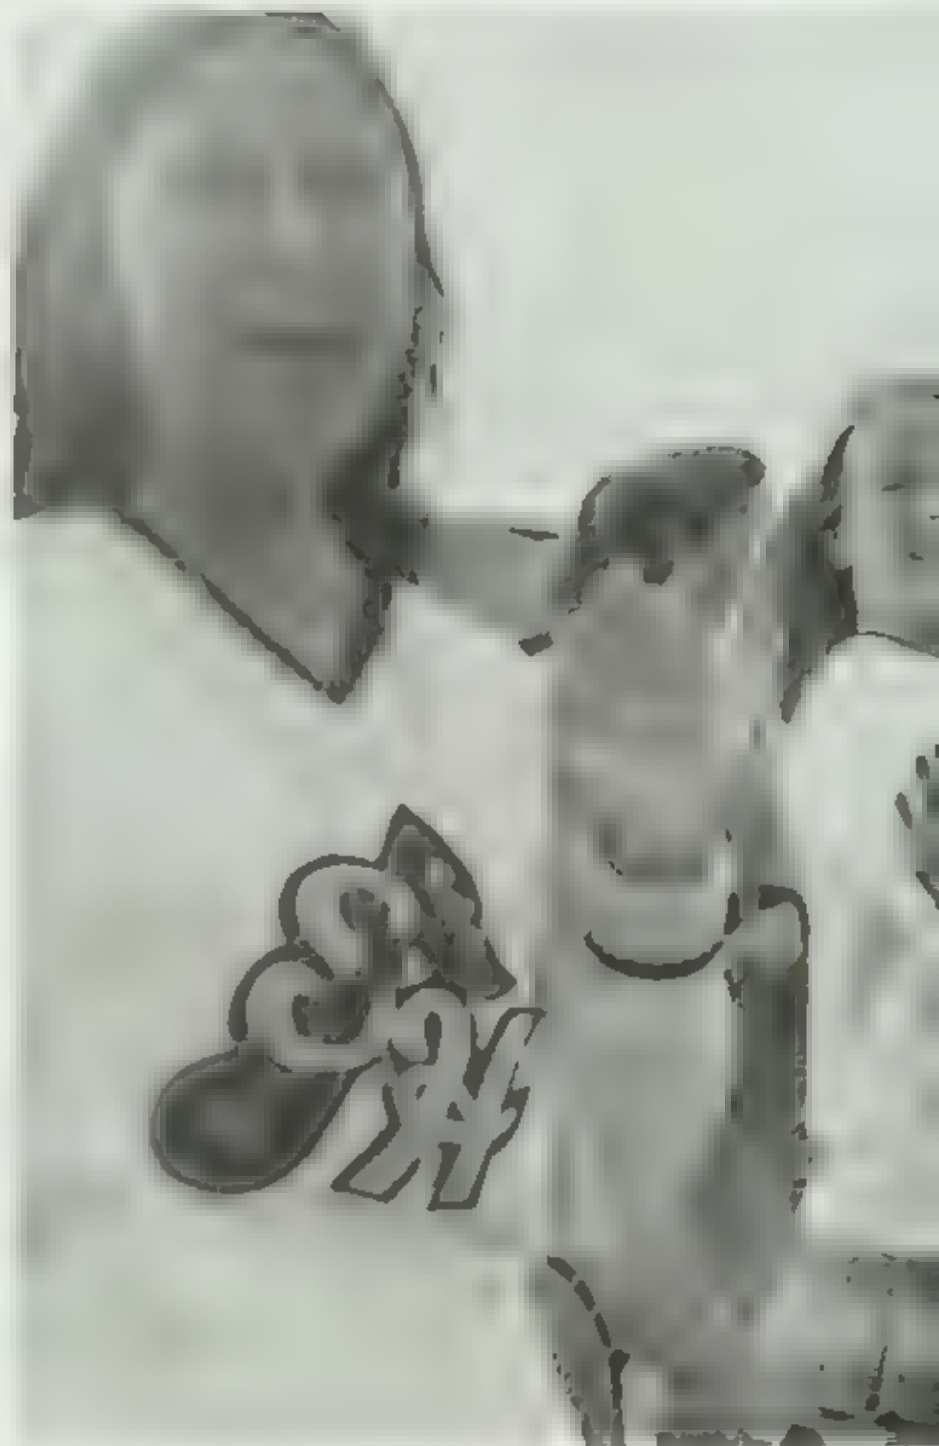

Cathie McMen

Song

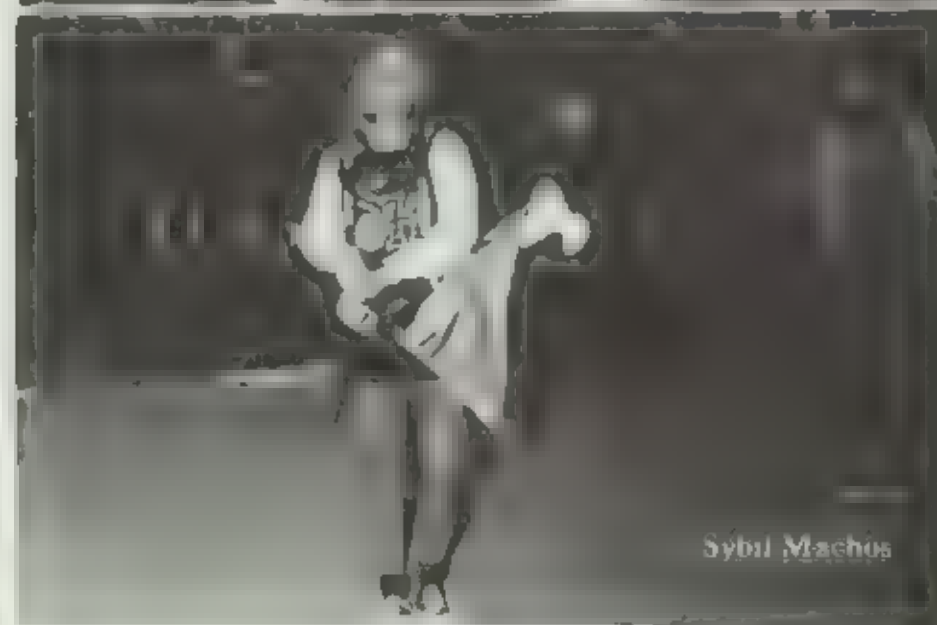

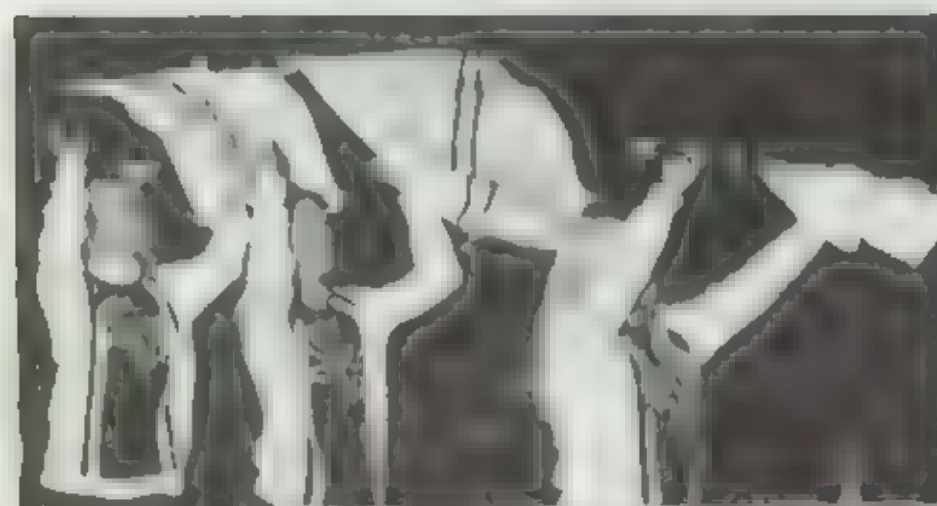

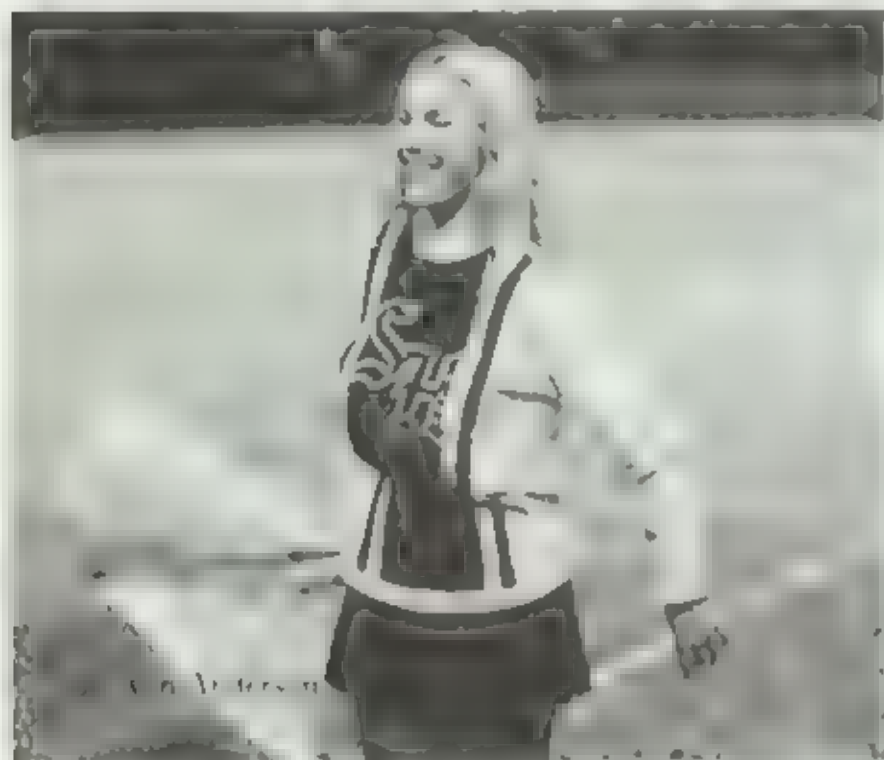

The song leaders not only showed their spirit on the field, but in many other ways. The painting of signs each Wednesday, the delivering of presents, and the decorating of lockers were many of the ways. The song leaders really did promote spirit among the entire school.

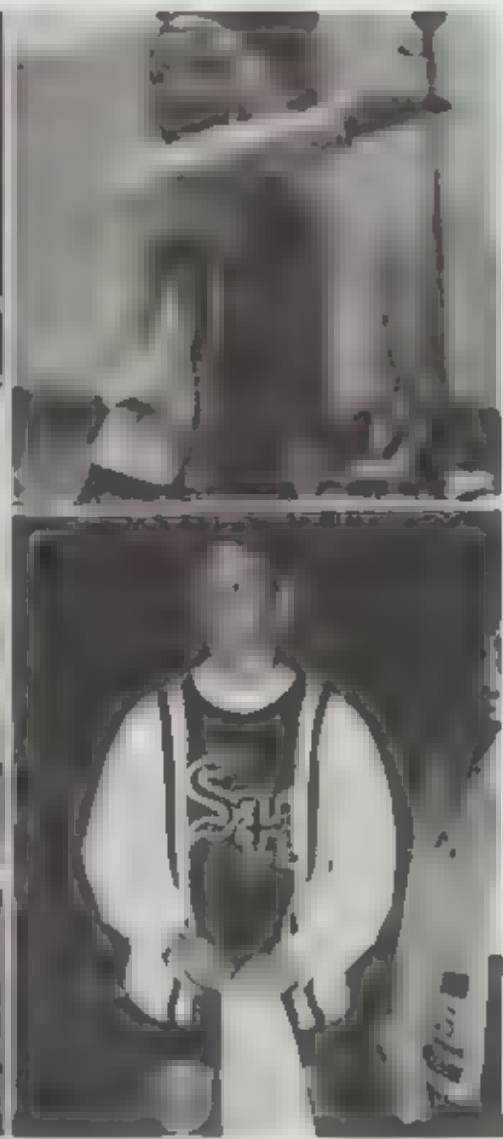

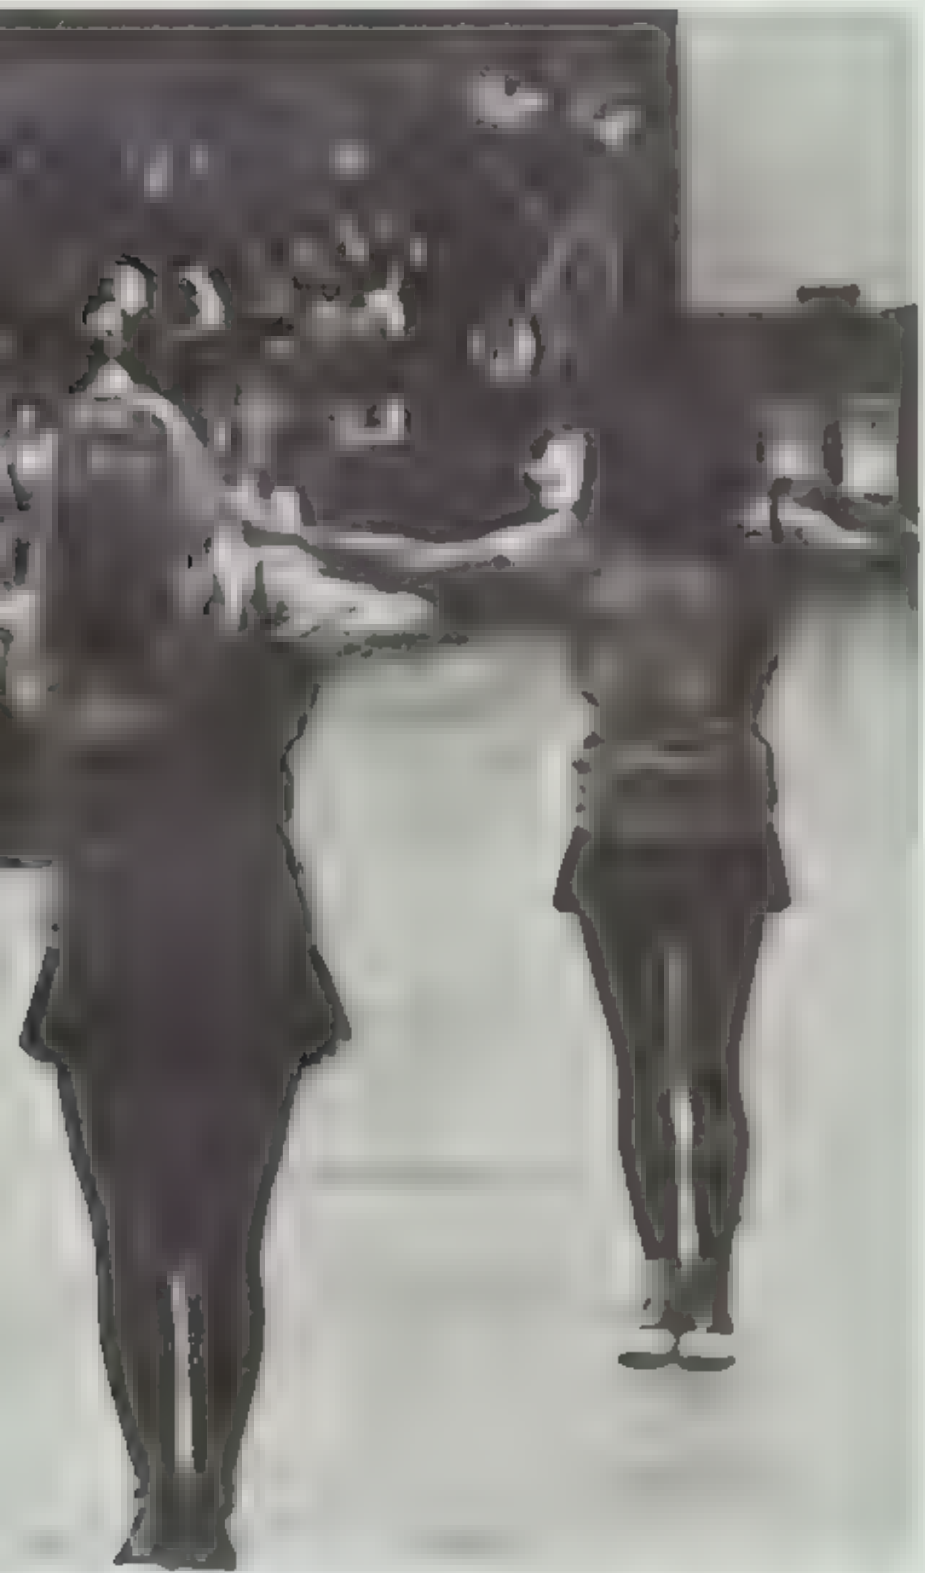

Flag

Although met with frustrating disappointments, this year's flag twirlers exerted as much spirit as the other units. Often neglected and abused and finally abolished as an active unit, the 1977 flag twirlers did a job the student body should be proud of.

Stag Dances

Stag dances were one of the most popular events at the student body. Learning new dances, group dances, and just looking and being social were some of the things that were done. The dances were held in the gymnasium, and the teachers were great. There was only one way to win the stag dances.

This is not primarily the place where we have to be, it is the place where we are

This is not our prison but our home. It is the road we must walk and the walking is called life

Because we will walk it only once, then how important is it that we should walk it with some purpose that we call our own.

"Young at Heart"
Music and words by
Johnny Richards and Carolyn Leigh

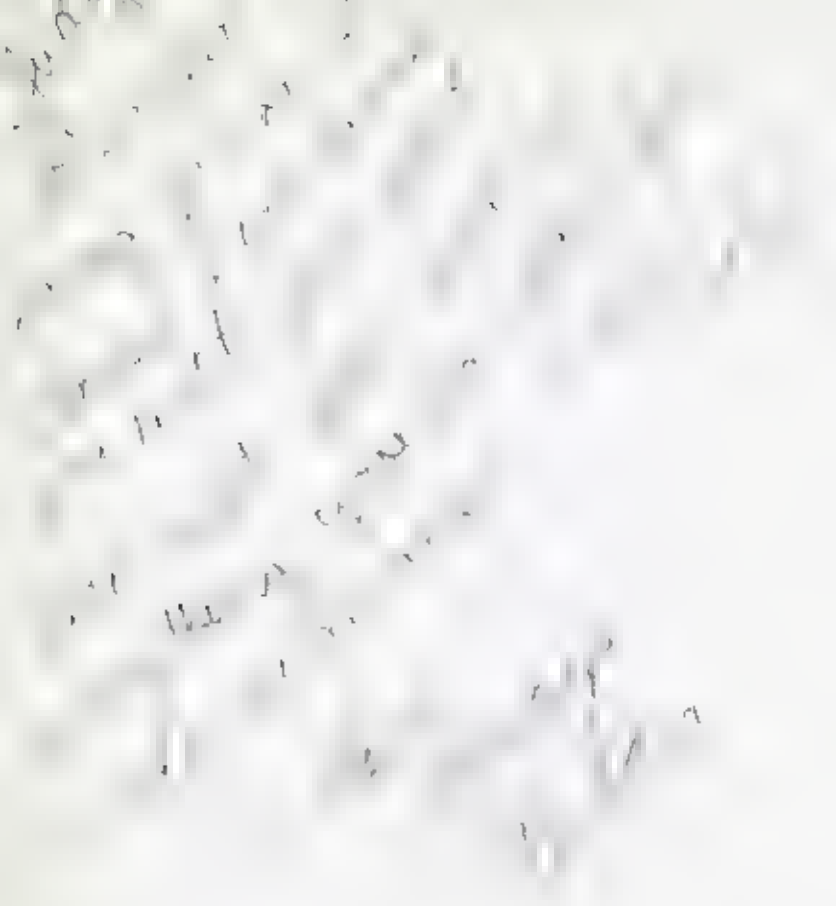

At 1, there is the best part
you don't need a head start

if you are among
the 100,000
at heart

THE
END

[Faint handwritten notes, possibly bleed-through from the reverse side of the page.]

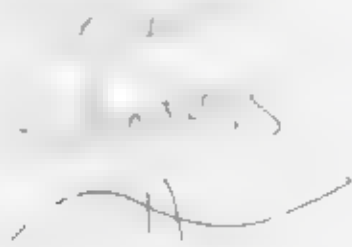

Judy,

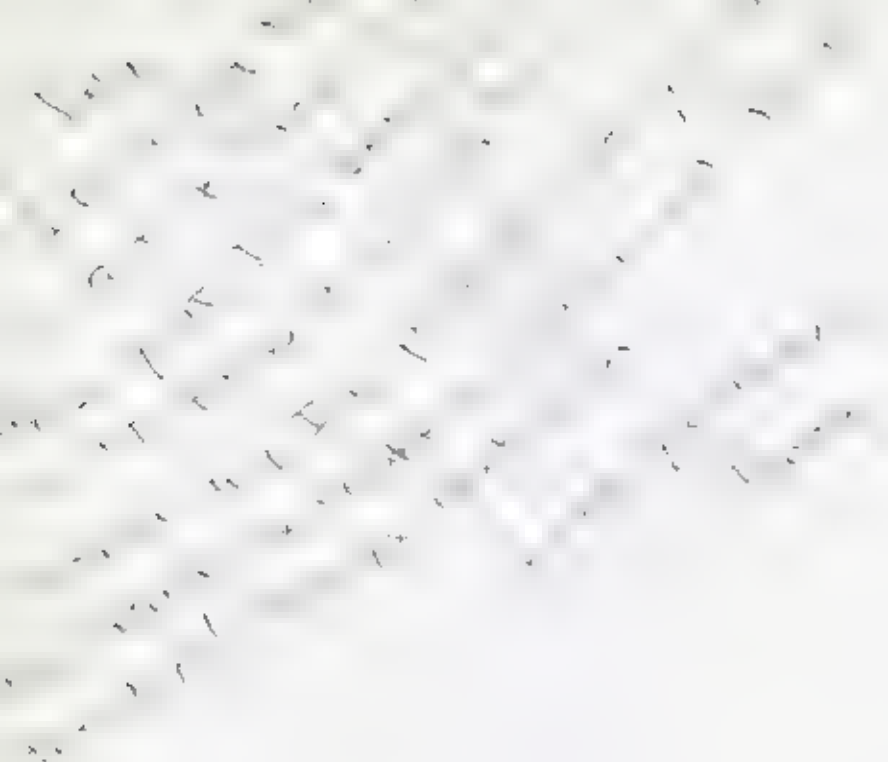

I'm glad I had
you in Math this
year, and got to
know you better
this year cuz you're
real sweet.

Hope to see ya in the future.

Stay as sweet as you are.
And be good.

Love ya

A stylized, handwritten signature in dark ink, possibly reading 'Judy' or 'Judy's', with a decorative flourish at the end.

To Judy,
Well it has been
really great knowing
you this year. You are
really a nice girl and I
hope you stay that way.
See ya during the summer.
